## Hill School Remote Learning

HILL SCHOOL · TUESDAY, MARCH 31, 2020 ·

Dear Hill School Parents,

Our transition to remote learning is going well, thanks to the commitment from everyone involved. Thank you to faculty, students and parents for the time and energy you are all investing!

Remote learning will continue until further notice. For information related to remote learning, including updates regarding technology and advice on health and wellness, refer to our remote learning page found on the website at [www.hillschool.org/remote-learning](http://www.hillschool.org/remote-learning). No classes will be held Good Friday, April 10, and Easter Monday, April 13. Enjoy a long weekend!

Faculty will be reaching out soon to reschedule Parent Conferences. The status of other school events will be addressed on a timely basis and you will receive updates on events as decisions are made.

I am very proud of the instruction our teachers are providing and the positive feedback they are sharing! If you or your child has any questions, feel free to email your child's advisor or classroom teacher directly. Continue to support one another, and stay well!

Sincerely,

Roxann Breyer  
Head of School
